

Bersih Netherlands Summary Report 2019

We had our first 2019 Bersih NL gathering in Utrecht on 19 Jan 2019. About 14 members and friends attended the event. Our members brought desserts and homemade cakes. As it was near Chinese New Year, we also had “yu sang” (Chinese salad) as a symbol of a better and prosperous new year! Bala (Chairman of Global Bersih) and Nirmala (Secretary of Global Bersih) joined us via Skype and we discussed what Global Bersih is currently working on:

1. Raise fund for the Electoral Reform for Overseas Voting project. The aim is to be able to hire one person to be based in Kuala Lumpur for GB to work directly with EC and Bersih 2.0 on the overseas voting.
2. Perform survey on Overseas Malaysian Electoral Reform

We had another Malaysians BBQ gathering in the Netherlands before the summer holidays on 29 June 2019. Celebrating friendship and good ties with friends and families from Malaysia.

Five of Bersih NL representatives attended the “Malaysia Baharu” forum in Paris, France on 5 October 2019. It was organized by Global Bersih and Bersih France. We had good time in sharing and having dialog sessions with representatives from Bersih France, Switzerland and Germany. After an exciting forum, we had a drawing demonstration from Zunar and later the drawing was sold in an auction to the highest bidder. Proceeds were then donated to Global Bersih to continue their cause for a better Malaysia.
